

Product Information Guide

Product Category:
Air Freshener

Core Features:

- Contains Odourbond™ Technology**
- Compatible With Zybox Microbiological Products**
- The Perfect Air Freshener For Stubborn Odours**

Description:

Zybox Air instant air freshener combines a beautiful fresh fragrance with our Odourbond™ technology and is compatible with Zybox microbiological products.

Unlike conventional air-fresheners which simply mask smells with strong fragrances, Zybox Air eliminates odours by using instant action Odourbond™. Odourbond is a specially formulated odour bonding reagent which attacks odours on a molecular level; changing the structure so you can no longer smell it. bonding to the odour molecules and chemically altering its properties, only leaving behind the smell of the carefully selected fragrance. Available in two fragrances, fresh mint or fresh linen.
