

This chart provides a quick reference for recommended dilution rates for all ZYBAX Dilution Control Sprayers. All ZYBAX Dilution Control Sprayers are supplied with clearly marked labels with fill lines for water and concentrate levels.

**ALWAYS** carefully read and follow the directions on the bottles  
**ALWAYS** use warm water to prepare cleaning solutions - **NOT HOT**  
**DO NOT** mix with other cleaning products  
 Thoroughly rinse all cleaning equipment with fresh water after use  
**ZYBAX PRODUCTS ARE FOR PROFESSIONAL USE ONLY**
