OUR ECODOSE BOTTLE PROVIDES JUST THE RIGHT AMOUNT OF SUPER CONCENTRATE IN EACH DOSE, MAKING UP TO 100 750ML SPRAY BOTTLES!

That's a real saving of approximately 7kg of plastic, 4kg of cardboard, 12m of packing tape, hours of production and thousands of delivery miles resulting in at least 30kg of CO₂ not going into the atmosphere!

WE ARE FULLY COMMITTED TO ENVIRONMENTAL SUSTAINABILITY AND A LOW CARBON FOOTPRINT.
