

## Product Information Guide

# Zybox stain

Product Category:  
**Spot & Stain Remover**

Core Features:

**Bacteria Action**

**Contains Odourbond™ Technology**

**Highly Effective Against A Huge Variety Of Stains**

### Description:

**Zybox Stain is a biological spot and stain remover in a ready to use formula that is tough on dirt and stubborn soiling.**

It cleans by removing dirt with an exceptional low foaming surfactant and our friendly bacteria. The bacteria multiply, releasing enzymes which break down the waste and removing the cause of the stain and odour. Highly effective against a huge variety of stains ranging from urine, vomit, blood, coffee and tea to sour milk and faeces.

Zybox Stain also contains instant action Odourbond™ which is a specially formulated odour bonding reagent which attacks odours on a molecular level; changing the structure so you can no longer smell it.

### Product Options:

**Ready To Use - 750ML | 5Litre | 25 Litre Jerry Can | 208 Litre Drum | 1000 Litre IBC**

### Fragrances

## Directions For Use:

**Always test for colourfastness on an inconspicuous areas**  
**Dry spots should be agitated and dampened before application**  
**Spray liberally direct on to stain**  
**Allow time for stain to be penetrated**  
**Absorb the stain out by blotting with paper or cloth**  
**Allow to dry naturally or extract with machine**  
**Repeat as necessary until stain has gone**

## Application:

**Ready to use formulation, use undiluted from the trigger spray.**

For best results apply direct to the surface, ensuring the surface is free from other chemicals such as sanitisers, which may effect the performance of biological cleaners, or can be used as a pre-treater prior to extraction cleaning with all carpet machines.

## Safe To Use On:

**Carpets**  
**Upholstery**  
**Soft furnishings that are difficult to clean even laundry prior to washing.**

Apply Using:  
Trigger sprayer
